

MAST-602: Introduction to Physical Oceanography 2008

Plastics-3: Initial Press Release (Oct.-30, 2008)

1. Please state in 100 words or less your initial position with regard to the Great Pacific Garbage Patch. It should contain key words like “sound science” and “scientific consensus.” Recall that these statements will be part of the public record that all parties to this law suit will make reference to in subsequent proceedings.[20 minutes, please post on the class wiki]
2. Present the statement to the class representing a group of reporters [10 minutes, heckling questions are allowed]
3. First (private and confidential) meeting with the other side to exchange information you may have that you foresee using in your argument [10 minutes, Lewes and Newark mute each other]
